

FFHeatTransferCoefficient
Model

```
graph LR; A[FFHeatTransferCoefficient Model] --> B[correctField]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'FFHeatTransferCoefficient' on the top line and 'Model' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a red border and contains the text 'correctField'.
