

criteriaSatisfied

```
graph LR; A[criteriaSatisfied] --> B[firstPISOPrevPIMPLETypeResidual];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'criteriaSatisfied'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a red border and contains the text 'firstPISOPrevPIMPLETypeResidual'.
