

externalIOObject

```
graph BT; extPatch --|> externalIOObject
```

A UML class diagram illustrating inheritance. At the bottom is a class box for 'extPatch', which has a light gray fill and a black border. A solid blue arrow points vertically upwards from the center of the 'extPatch' box to the center of the 'externalIOObject' box. The 'externalIOObject' box is at the top, has a white fill, and a black border. The text 'externalIOObject' is centered within its box.

extPatch
