

writeFileHeader

```
graph LR; A[writeFileHeader] --> B[massFlow]
```

A diagram showing a flow from a box labeled 'writeFileHeader' to a box labeled 'massFlow'. The 'writeFileHeader' box is shaded gray and has a black border. The 'massFlow' box is white and has a black border. A blue arrow points from the right side of the 'writeFileHeader' box to the left side of the 'massFlow' box.

massFlow
