

interfacialAreaModel

```
classDiagram
    class spherical
    class interfacialAreaModel
    spherical --|> interfacialAreaModel
```

The diagram illustrates a class hierarchy. At the bottom is a gray box labeled 'spherical'. A blue arrow points upwards from the 'spherical' box to a white box labeled 'interfacialAreaModel' at the top. The 'interfacialAreaModel' box has a red border, while the 'spherical' box has a black border.
