

sigmaPowCladExpList

```
graph LR; A[sigmaPowCladExpList] <-- B[forAll];
```

A diagram showing a relationship between two entities. On the left is a gray rectangular box with a black border containing the text 'sigmaPowCladExpList'. On the right is a white rectangular box with a red border containing the text 'forAll'. A dark blue arrow points from the 'forAll' box to the 'sigmaPowCladExpList' box.

forAll
