

sigmaDisappAxialExpList

```
graph RL; forAll --> sigmaDisappAxialExpList
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is gray with a black border and contains the text 'sigmaDisappAxialExpList'. The box on the right is white with a red border and contains the text 'forAll'. A blue arrow points from the 'forAll' box to the 'sigmaDisappAxialExpList' box.

forAll
